

## City Baskets, Suitcases, or Duffel Bags for TRAPS Auction... Gifts donated by our Texas cities at the TRAPS Institute have become a tradition and a favorite of the Auction.

It's time to get your City Baskets, Suitcases, or Duffel Bags ready for this year's TRAPS INSTITUTE. Please bring your city's basket, suitcase, or duffel bag full of goodies, check it at the airport Baggage Claim, then on to SAN ANGELO, and let the TEXAS PARKS & RECREATION FOUNDATION auction it off!

The money made from the sale of your gift will go directly to help fund the Speakers Grant Program. Those speakers will, in turn, teach you ways to be a better Parks and Recreation Professional. For those who prefer to bring a basket or other creative container....no problem!!  
Just bring it on out to SAN ANGELO, partner!

It's easy:

1. Bring your auction items with goodies of all kinds...food, beverage, festival tickets, tee shirts... things that promote the commerce and spirit of your city.
2. Put estimated value on it AND name of your city or organization.
3. BRING to SAN ANGELO March 26-29, to the TEXAS PARKS & RECREATION FOUNDATION booth in the Exhibit Hall.

The donation of "City Gift Baskets, Suitcases, or Duffel Bags" by PARD Directors to the auction is a tradition dating back to 1997. Let's keep the tradition going.

*Thanks for your help with a donation!*
